We are diligently working to restore our historic Baker Fireman's Fountain located in the courthouse square. As part of the project a memorial brick walkway will be set leading up to the fountain allowing you the opportunity to be directly involved. For \$100 you can purchase a "memorial brick" that will forever memorialize your tax deductible contribution. When you order a brick, you will receive a letter and certificate thanking you for your donation. If the brick is a gift in honor or in memory of someone, we will prepare and send a letter and certificate to the person being honored or to the family of someone being remembered. Please include their address in the notes section. As Owego Hose Teams, Inc. is a recognized 501c3 charitable organization your contribution is tax deductible. All proceeds benefit the fountain restoration.
