Notes: _____

We are diligently working to restore our historic 1866 Amoskeag Steam Fire Pumper and building its "Steamer House" on North Avenue. As part of the project, we are allowing donors to purchase benches that will surround the steamer house. For \$2,500 you can purchase an entire bench with personalized inscription; for \$1,000 one long side of a bench; for \$500 one short side of a bench. When you donate, you will receive a letter and certificate thanking you for your donation. If the donation is a gift in honor or in memory of someone, we will prepare and send a letter and certificate to the person being honored or to the family of someone being remembered. Please include their address in the notes section when ordering. As Owego Hose Teams, Inc. is a recognized 501(c)3 charitable organization your contribution is tax deductible. All proceeds benefit the steamer restoration and steamer house. The hose team will be in direct contact with you to finalize your bench inscription information and provide proofs for approval prior to processing your order.
