Notes: _____

We are diligently working to restore our historic 1866 Amoskeag Steam Fire Pumper and building its "Steamer House." As part of the project, we are starting a "steam booster" donor program, allowing you the opportunity to be directly involved with the project. For \$100 your name(s) will be placed on a cast iron bronze plaque that will proudly hang on the steamer house building that will forever memorialize your tax deductible contribution. When you donate, you will receive a letter and certificate thanking you for your donation. If the donation is a gift in honor or in memory of someone, we will prepare and send a letter and certificate to the person being honored or to the family of someone being remembered. Please include their address in the notes section when ordering. As Owego Hose Teams, Inc. is a recognized 501(c)3 charitable organization your contribution is tax deductible. All proceeds benefit the steamer restoration and steamer house.
